Section 1. Incorporation of Plat. The subdivision plat of Atascocita Town Center, Section Four, dedicates for use as such, subject to the limitations set forth therein, certain streets and easements shown thereon, and such subdivision plat further establishes certain dedications, limitations, reservations and restrictions applicable to the Property. All dedications, limitations, restrictions and reservations shown on the subdivision plat, to the extent they apply to the Property, are incorporated herein and made a part hereof as if fully set forth herein, and shall be construed as being adopted in each contract, deed and conveyance executed or to be executed by or on behalf of Declarant, conveying each Lot, Apartment, Land Unit or Commercial Unit within the Property.

Section 2. Declarant's Reservation. It is expressly agreed and understood that the title conveyed by Declarant to any Lot, Apartment, Land Unit or Commercial Unit within the Property by contract, deed, or other conveyance shall not be held or construed in any event to include the title to any roadway or any drainage, water, gas, sewer, storm sewer, electric light, electric power, telegraph, telephone, audio, video, security or communication facility or system or any pipes, lines, poles or conduits on or in any utility facility or appurtenances thereto constructed by or under Declarant or its agents through, along or upon the Property or any part of them to serve the Property, and the right to maintain, repair, sell, or lease such appurtenances to any municipality, or other governmental agency or to any public service corporation or to any other party is hereby expressly reserved in Declarant.

Section 3. Reservation of Minerals. The Properties and any future land made subject to this Declaration, are hereby subjected to the following reservation and

exception: Declarant reserves unto itself and its successors, assigns and predecessors in title in accordance with their respective interests of record all oil, gas and other minerals in, on and under the land, but except for areas designated for mineral development purposes by plat or separate instrument, Declarant waives the right to use the surface of the Properties for exploring, drilling for, producing and mining oil, gas and other minerals, provided that Declarant retains and reserves the right to pool the Properties with other lands for development of oil, gas and other minerals and the right to drill under and through the subsurface of the Properties below the depth of one hundred feet by means of wells located on the surface of the land outside the Properties. These exceptions, retained rights and reservations shall inure to the benefit of Declarant, its predecessors in title and its successors and assigns in accordance with their respective interests of record.

Section 4. Electrical Distribution Service. An electric distribution system will be installed in the Property, in a service area that will embrace all of the lots which are platted in the Property. In the event that there are structures containing multiple dwelling units (such as townhouses) constructed within the Property, then the underground service area shall embrace all of the dwelling units involved. The Owner of each lot containing a single dwelling unit, or in the case of multiple dwelling unit structure, the Owner or building developer, shall, at its own cost, furnish, install, own and maintain (all in accordance with the requirements of local governing authorities and the National Electrical Code) the underground service cable and appurtenances from the point of the electric company's metering at the structure to the point of attachment at such company's installed transformers or energized secondary junction boxes, the point of attachment to be made available by the electric company at a point designated by such company at the property line of each lot. The electric company furnishing service shall make the necessary connections at said point of attachment and at the meter.

Declarant, Developer, or Developer/Builder, has either by designation on the plat or by separate instrument granted necessary easements to the electric company providing for the installation, maintenance and operation of its electric distribution system and has also granted to the various homeowners reciprocal easements providing for access to the area occupied by and centered on the service wires of the various homeowners to permit installation, repair and maintenance of each homeowner's owned and installed service wires. In addition, the Owner of each lot containing a single dwelling unit, or in the case of a multiple dwelling unit structure the Owner and developer thereof, shall at its own cost, furnish, install own and maintain a meter loop (in accordance with the then current standards and specifications of the electric company furnishing service) for the location and installation of the meter of such electric company for each dwelling unit involved. For so long as this service is maintained in the Property, the electric service to each dwelling unit shall be underground, uniform in character, and exclusively of the type known as single phase, 120/240 volt, three wire, 60 cycle, alternating current.

The electric company has installed the electric distribution system in the Property at no cost to Declarant, Developer, or Developer/Builder (except for certain conduits, where applicable, and except as hereinafter provided) upon Declarant's, Developer's, or Developer/Builder's representation that the lots are being developed for residential dwelling units, including homes, and if permitted by the restrictions applicable to such subdivision, townhouses, duplexes and apartment structures, all of which are designated to be permanently located where originally constructed (such category of dwelling units

195-53-1810

expressly to exclude mobile homes), built for sale or rent, and all of which multiple dwelling unit structures are wired so as to provide for separate metering to each dwelling unit.

The provisions of the two preceding paragraphs also apply to any future residential development in reserve(s) shown on the plat as such plat exists at the execution of the agreement for underground electric service between the electric company and Declarant, Developer, or Developer/Builder, or thereafter. Specifically, but not by way of limitation, if an Owner in a former reserve undertakes some action which would invoke a per front lot foot payment if such action had been undertaken in the Property, such Owner or applicant for service shall pay the electric company \$1.75 per front lot foot or amount deemed applicable by electric company, unless the electric company has previously been paid for service to the reserve(s). The provisions of the two preceding paragraphs do not apply to any future nonresidential development in the reserve(s).

Easements for the underground service may be crossed by driveways and walkways provided the Owner makes prior arrangements with the utility company furnishing any utility service occupying the easement and provides and installs the necessary conduit of approved type and size under such driveway or walkways prior to construction thereof.

Such easement for the underground service shall be kept clear of all other improvements, including buildings, patios or other pavings, and neither Declarant, Developer, Developer/Builder, nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees or servants, to shrubbery, trees, flowers or other improvements (other than crossing driveways or walkways providing conduit has been installed as outlined above) of the Owner located on the land covered by such easements.

Section 5. Condemnation. If all or any part of the Common Open Area is taken or threatened to be taken by eminent domain or by power in the nature of eminent domain (whether permanent or temporary), the Association shall give timely written notice of the existence of such proceedings to all Owners known to the Association to have an interest in any Lot, Apartment, Land Unit or Commercial Unit. The expense of participation in such proceedings by the Association shall be borne by the Association and paid for out of assessments collected pursuant to Article V hereof. The Association is specifically authorized to obtain and pay for such assistance from attorneys, appraisers, architects, engineers, expert witnesses and other persons as the Association in its discretion deems necessary or advisable to aid or advise it in matters relating to such proceedings. If an Owner chooses to participate in the proceedings, Owner does so at his own expense.

All damages or awards for such taking shall be deposited with the Association, and such damages or awards shall be applied as follows. If an action in eminent domain is brought to condemn a portion of the Common Open Areas, the Board of Directors, in addition to the general powers set out herein, shall have the sole authority to determine whether to defend or resist any such proceeding, to make any settlement with respect thereto; or to convey such portion of the Property to the condemning authority in lieu of such condemnation proceeding. With respect to any such taking, all damages and awards shall be determined for such taking as a whole and not for each Owner's interest therein. After the damages or awards for such taking are determined, such damages or awards shall be

195-53-1811

paid to the Association. The Board of Directors, if it deems advisable, may call a meeting of the Owners, at which meeting the Owners, by a majority vote, shall decide whether to replace or restore as far as possible, the Common Open Areas so taken or damaged. In the event it is determined that such Common Open Areas should be replaced or restored by obtaining other land, this Declaration shall be duly amended by instrument executed by the Association on behalf of the Owners. If it is determined that the Common Open Area should not be replaced, the Association shall pay the funds received as damages to the account of each Owner and First Mortgagee, if any, as their interests may appear.

ARTICLE III PROPERTY RIGHTS

Section 1. Owner's Easements of Enjoyment. Every Lot, Apartment, Land Unit and Commercial Unit Owner who resides on the Property shall have a right to an easement of enjoyment in and to the Common Open Areas which shall be appurtenant to and shall pass with the title to every Lot, Apartment, Land Unit and Commercial Unit, subject to the following provisions:

(a) the right of the Association to grant or dedicate easements in, on, under or above the Common Open Areas or any part thereof to any public or governmental agency or authority or to any utility company for any service to the Property of any part thereof;

(b) the right of the Association to prevent an Owner from planting, placing, fixing, installing or constructing any vegetation, hedge, tree, shrub, fence, wall, structure or improvement or store any personal property on the Common Open Areas or any part thereof without the prior written consent of the Association. The Association shall have the right to remove anything placed on the Common Open Areas in violation of the provisions of the subsection and to assess a fine and the cost of such removal against the Owner responsible;

(c) the right of Declarant (and its sales agents and representatives) and its assigns to the non-exclusive use of the Common Open Areas and the facilities thereof, for display and exhibit purposes in connection with the sale of Lots or Commercial Units within the Property, which right Declarant hereby reserves; provided, however, that such use shall not continue for a period of more than fifteen (15) years after conveyance of the Common Open Areas within the Property to the Association; provided, further, that no such use by Declarant or its sales agents or representatives shall otherwise unreasonably restrict the Members in their use and enjoyment of the Common Open Areas;

(d) the right of the Association to limit the number of guests of Owners utilizing the recreational facilities and improvements owned by the Association and provided upon Common Open Areas;

(e) the right of the Association to establish uniform rules and regulations and to charge reasonable admission and other fees pertaining to the use of any recreational facilities owned by the Association; and

195-53-1812

(f) the right of the Association to suspend the voting rights of an Owner and the Owner's right to use any recreational facility of the Association during the period the Owner is in default in excess of thirty (30) days in the payment of any maintenance charge assessment against a Lot, Apartment or Commercial Unit and to suspend such rights for a period not to exceed sixty (60) days for any infraction of its published rules and regulations. The aforesaid rights of the Association shall not be exclusive but shall be cumulative of and in addition to all other rights and remedies which the Association may have by virtue of this Declaration or its By-Laws or at law or in equity on account of any such default or infraction.

Section 2. Delegation of Use. Owners subject to an easement of enjoyment in and to the Common Open Areas may delegate, in accordance with the By-Laws, their right to or enjoyment of the Common Open Areas to members of their families, tenants or contract purchasers who reside in Owner's residential dwelling or Apartment.

Section 3. Waiver of Use. No Owner may be exempt from personal liability for assessments duly levied by the Association, nor release a Lot, Apartment, Land Unit or Commercial Unit owned from the liens and charges hereof, by waiver of the use and enjoyment of the Common Open Areas thereon or by abandonment of Owner's Lot, Apartment, Land Unit or Commercial Unit.

ARTICLE IV MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Each person or entity who is a record Owner of any of the Property which is subject to assessment by the Association shall be a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership. Membership shall be appurtenant to and may not be separated from ownership of the land which is subject to assessment by the Association.

Section 2. Voting Rights. Members shall be all Owners and shall be entitled to one (1) vote for each Lot, Land Unit or Commercial Unit owned and two-thirds (2/3) vote for each Apartment owned. When more than one person holds an interest in any Lot, Apartment, Land Unit or Commercial Unit, all such persons shall be members. The vote of such Lot, Apartment, Land Unit or Commercial Unit shall be exercised as the persons among themselves determine, but in no event shall more than one (1) vote be cast with respect to each Lot, Land Unit or Commercial Unit owned or more than two-thirds (2/3) vote be cast with respect to each Apartment owned.

ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Annual assessments and special assessments are to be established as hereinafter provided. For each Lot or Commercial Unit owned by Declarant within the Property, Declarant hereby

795-53-1813

covenants to pay annual assessments and special assessments to the Association. For each Lot platted on a subdivision map by Developer or Developer/Builder, Developer or Developer/Builder by acceptance of a deed for a portion of the Property included in said subdivision map is deemed to covenant and agrees to pay annual assessments and special assessments to the Association, whether or not it shall be so expressed in such deed. For each Lot, Apartment or Commercial Unit owned by an Owner, Owner by acceptance of a deed for said Lot, Apartment or Commercial Unit is deemed to covenant and agrees to pay annual and special assessments to the Association, whether or not it shall be so expressed in such deed. Owner of a Land Unit is not obligated to pay annual and special assessments to the Association.

The regular and special assessments, together with interest, penalties, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing and contractual lien upon the Lot or Commercial Unit against which each such assessment is made. Each such assessment, together with interest, penalty, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot or Commercial Unit at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to the Owner's successors in title unless expressly assumed by them.

Section 2. Purposes of Assessment. The assessments levied by the Association shall be used exclusively for the community, civic and social welfare and benefit of the Property and the Owners, for the purposes determined by the Association to be appropriate in accordance with its Articles of Incorporation and By-Laws, including (but not limited to) municipal services; educational and recreational services and facilities; improvement and maintenance of the Common Areas; maintenance and lighting of streets within the Properties; police and security service; garbage and refuse removal and collection; mosquito abatement; and other services, facilities, and activities that may be in the community's interest.

Section 3. Amount of Annual Assessment. Until March 1 of the year immediately following the conveyance of the first Lot or Commercial Unit to an Owner, the amount of the annual assessment shall be \$325.00 per Lot or Commercial Unit and \$217.00 per Apartment. An annual assessment in excess of this amount may be established for specific lots for purposes compatible with those included in the Articles of Incorporation, for services and purposes which are applicable only to the specific lots. These additional assessment amounts shall be further determined by Supplementary Declaration(s) of Covenants, Conditions and Restrictions.

(a) From and after March 1 of the year immediately following the conveyance of the first Lot or Commercial Unit to an Owner, the maximum annual assessment may be increased each year above the maximum assessment for the previous year without a vote of the membership by the percentage change by which the Consumer Price Index for the immediately preceding calendar year exceeds such Index for the calendar year prior thereto or by fifteen percent (15%), whichever is greater. As used herein, the "Consumer Price Index" shall mean the year-end Consumer Price Index for All-Urban consumers, published by the U.S. Department of Labor (or a generally accepted replacement should such Index no longer be published).

795-53-7814

(b) From and after March 1 of the year immediately following the conveyance of the first Lot or Commercial Unit to an Owner the maximum annual assessment may be increased above the rates specified in this Section 3, Paragraph (a) by a vote of a majority of the votes of the Members entitled to vote in person or by proxy, at a meeting duly called for this purpose.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year after June 1 of two (2) years immediately following the conveyance of the first lot, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost for necessary purposes of the Association, such as the construction, reconstruction, repair or replacement of a capital improvement in the Common Open Areas, including fixtures and personal property related thereto, or for counsel fees or the fees of other retained experts provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of Members entitled to vote in person or by proxy, at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 hereof shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. Subsequent meetings can continue to be called in the aforesaid manner with the required quorum at any subsequent meeting(s) being one-half (1/2) of the required quorum at the preceding meeting until a quorum is present and votes are cast. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Rate of Assessment. All Lots, Apartments and Commercial Units within the Property shall bear their applicable assessments. A Lot, Apartment or Commercial Unit assessment shall be assessed against a Developer, Developer/Builder, Builder or Owner instead of Declarant in accordance with Article V, Section 7, and when there is written confirmation, reservation or conveyance of said Lot, Apartment or Commercial Unit by Declarant in favor of Developer, Developer/Builder, Builder or Owner.

(a) Lots and Commercial Units owned by Declarant shall be assessed at the rate of 50% of the annual assessment.

(b) Lots owned by Developer shall be assessed at the rate of 50% of the annual assessment.

(c) Lots owned by Developer/Builder shall be assessed at the rate of 66% of the annual assessment.

(d) Lots owned by Builder shall be assessed at the rate of 100% of the annual assessment.

195-53-1815

(e) Lots and Commercial Units owned by Owner (other than the Owners listed in the above paragraphs) shall be assessed at the rate of 100% of the annual assessment.

As used in this Section 6, the term "Declarant" shall be construed to mean only Friendswood Development Company, and its successors and assigns, acting in their capacity as land developers; and a Lot, Apartment or Commercial Unit owned, reserved or held by a home building division or any commercial construction division of Declarant shall be subject to full assessment as provided herein.

Section 7. Date of Commencement of Annual Assessments. Date of commencement of annual assessments as provided for herein shall be as follows and the first annual assessment shall be adjusted according to the number of months remaining in the fiscal year:

(a) For Declarant, the annual assessments shall commence as to all Lots within the Property on the first day of the month following the effective date of this Declaration and shall commence as to all Lots which may be added or annexed to the Property on the first day of the month following the effective date of any such annexation.

(b) For Developer, the annual assessments shall commence as to all Lots on the first day of the month following the recordation of his platted subdivision map.

(c) For Developer/Builder, the annual assessments shall commence as to all Lots on the first day of the month following the recordation of his platted subdivision map.

(d) For Builder, the annual assessments shall commence as to all Lots on the first day of the month following the transfer or conveyance of a Lot from Declarant or Developer to a Builder.

(e) For Owner of a Commercial Unit (other than the Owners listed in the above paragraphs), the annual assessments shall commence as to all Commercial Units on the first day of the month following the conveyance of the land area comprising a Commercial Unit from Declarant to Owner.

The Board of Directors shall fix the amount of the annual assessment against each Lot or Commercial Unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to each Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether or not the assessments on a specified Lot, Apartment or Commercial Unit have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of the maximum lawful rate or twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Commercial Unit.

195-53-1816

Section 9. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot, Apartment or Commercial Unit shall not affect the assessment lien. However, the sale or transfer of any Lot, Apartment or Commercial Unit pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot, Apartment or Commercial Unit from liability of any assessments which thereafter become due or from the lien thereof.

Section 10. Exempt Properties. Any portion of the Property dedicated to and accepted by a local public authority, or owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments created herein. However, no land or improvements devoted to residential dwelling or commercial use shall be exempt from said assessments.

ARTICLE VI ARCHITECTURAL CONTROL

Section 1. Architectural Approval. The Property is a part of a greater community development commonly known as Kingwood. The overall plan for the development of the various areas and sections which make up Kingwood contemplates centralization of architectural control to enhance, insure and protect the attractiveness, beauty and desirability of the area as a whole while at the same time permitting compatible distinctiveness of individual developments within the area. For this purpose, Declarant and its assigns shall have the right and responsibility to review and approve plans and specifications for all new construction on the Property. The Association shall have the right and responsibility to review and approve plans and specifications for all modifications to existing improvements. The Board shall appoint the Architectural Review Committee to be composed of at least three (3) individuals as a committee of its Board to accomplish this purpose. Declarant and its assigns shall function independently and concurrently from the Architectural Review Committee as to their respective jurisdictions, except that Declarant and its assigns shall relinquish all construction approval authority to the Architectural Review Committee on or before twenty-five (25) years from the date of this Declaration, at which time full authority will become vested with the Association. Declarant, its assigns, and the Architectural Review Committee may at any time appoint persons to act in their behalf.

For a Tract, if Declarant disapproves plans and specifications submitted by Owner and Declarant and Owner are not able to resolve their differences within thirty (30) days thereafter, then, following Owner's written request therefor, Declarant may at Declarant's option, repurchase the land from Owner, for the original purchase price in cash, and Owner shall thereupon reconvey the land to Declarant by special warranty deed free and clear of all liens and encumbrances other than those to which the original conveyance was subject. The failure of Declarant to exercise said repurchase option shall in no way impair or alter the obligations of Owner as set forth in this Declaration.

It is accordingly covenanted and agreed that no building, fence, wall or other structure shall be commenced, erected or maintained upon the Property after the original

construction nor shall any exterior addition to or change or alternation to such structures or the color thereof (including, without limitation, site landscaping visible from any part of the Property and grading plans, reroofing materials, patio covers and trellises, plans for off-street parking of vehicles, exterior lighting, exterior signage for commercial buildings and apartments, and utility layout), be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Review Committee. In the event said Committee fails to approve or disapprove such design and location within forty-five (45) days after said plans and specifications have been received by it, approval will not be required, and this Article will be deemed to have been fully complied with. All plans and specifications shall be submitted in writing over the signature of the Owner of the Lot, Apartment, Land Unit or Commercial Unit or the Owner's authorized agent. The Architectural Review Committee shall have the right to require any Owner to remove or alter any structure which has not received approval or is built other than in accordance with the approved plans and to receive reimbursement from Owner for any costs expended in this effort.

The requirement of this Article is in addition to any approvals or permits required by any appropriate governmental entity. Approval of plans as complying with the applicable Minimum Construction Standards and Commercial Development Guidelines adopted and promulgated from time to time for the Property by Declarant, or its assigns, shall be only for such purposes and shall not serve as approval for any other purpose.

Section 2. Approval Required in Writing. All approvals shall be granted only in writing and by Declarant or Architectural Review Committee as applicable.

Section 3. No Liability. Section 2. Home Businesses: Prohibition of Offensive or Commercial Use. No activity which may become an annoyance or nuisance to the neighborhood or which shall in any way unreasonably interfere with the quiet enjoyment of each Owner of such Owner's Lot or which shall degrade property values or distract from the aesthetic beauty of the Property, shall be conducted thereon. No repair work, dismantling, or assembling of boats, motor vehicles or other machinery shall be done in any driveway or adjoining street. No part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending or other such nonresidential purposes except that a single-family residence may also be used to conduct a home business if the Owner (1) has registered with the Association, (2) has paid any applicable assessments or fees levied by the Association and (3) is in compliance with the following standards:

- (g) There shall be no process used in the home occupation that is hazardous to public health, safety or welfare. No toxic, explosive, radioactive or other restrictive materials not normally used in a single-family dwelling shall be used or stored on the site.

The Association is authorized to promulgate rules and regulations to insure that home businesses comply with the above standards and to make factual determinations regarding the impact of the home business on the residential character of the neighborhood. If, in the judgment of the Association, a home business has a detrimental impact on the residential quality of the neighborhood or otherwise constitutes a nuisance, it is authorized to revoke the Owner's home business registration and pursue any other available remedies.

Notwithstanding the above, Declarant, its successors or assigns, or Builders may use the Property for model homes display and sales offices during the Development Period, during construction or until all new homes on the Property have been sold.

195-53-1822

No building shall be located on any Lot nearer to the front property line nor nearer to the side street property line than the minimum building setback lines shown on the recorded plats. No building shall be located on any Lot nearer than ten (10) feet to any side or rear street line from a public street. Building setbacks from interior side and rear lot lines shall be subject to the following provisions:

(a) Subject to the provisions of Article VI, Section 1 and Article IX, Section 6, no building on Standard Lots shall be located nearer than five (5) feet to an interior side lot line, except that a detached garage located sixty (60) feet or more from the front lot line may be a minimum distance of three (3) feet from an interior side lot line. For the purpose of this provision, eaves, steps, box-type windows and unroofed ground-level terraces shall not be considered as part of a building; provided, however, that this shall not be construed to permit any improvement on a Standard Lot to encroach within three (3) feet of the side or rear lot line or upon another Standard Lot.

(b) Subject to the provisions of Article VI, Sections 1 and 5, Article IX, Section 6, and Article XI, Section 8, location of improvements upon Townhouse Lots shall be further determined by Supplementary Declaration(s) of Covenants, Conditions and Restrictions.

(c) Subject to the provisions of Article VI, Sections 1 and 5, and Article IX, Section 6, the dwelling on each Patio Home Lot shall be designed and constructed in such a manner as to incorporate a privacy wall of masonry or wood without windows, doors or openings, the exterior surface of which shall be located adjacent to and abutting a side lot line which is the Zero Setback Line on the Lot. No building, patio cover, trellis, accessory or appurtenant structures on Patio Home Lots shall be located nearer than six (6) feet from the interior side lot line that is opposite the Zero Setback Line on the Lot. Each dwelling on a Patio Home Lot shall be constructed a minimum of eight (8) feet from the rear lot line, excluding patios. For the purpose of these restrictions, carports or porte cocheres located on Lots shall be considered as garages and shall meet all the requirements for detached garages, including location, materials and construction. Access to corner lot garages directly from side streets is prohibited unless specifically approved by Declarant or its assignee.

Declarant shall have the right to modify these setback criteria for any additional land annexed into the Association and made subject to this Declaration.

Section 6. Deviations Declarant, at its sole discretion, is hereby permitted to approve deviations in these restrictions on building area, location of improvements on the Lots and building materials in instances where in its judgment, such deviation will not adversely affect the development of the Property as a whole. Such approvals must be granted in writing and when given will automatically amend these restrictions for that lot only.

Section 7. Composite Building Sites. Any Owner of two (2) adjoining Lots (or portions thereof) may consolidate such Lots or portions into one (1) building site not to

195-53-1823

exceed two (2) lots total, with the privilege of placing or constructing improvements on such resulting site, in which event setback lines shall be measured from the resulting side property lines rather than from the lot lines as indicated on the recorded plat. Any such composite building site must have a frontage at the building setback line of not less than the minimum frontage of lots in the same block on the recorded plat of which it is a part. Any revision of lot sizes is subject to all applicable regulations and laws.

Section 8. Utility Easement Easements for installation and maintenance of utilities are reserved as shown on the recorded plat, and no structure shall be erected on any of such easements. Neither Declarant nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees or contractors to shrubbery, trees, flowers or improvements located on the land covered by such easements.

Section 9. Patio Home Lot Universal Easement. The Owner of each Patio Home Lot within the Property is hereby declared to have a Universal Easement, and the same is hereby granted to Declarant, over all adjoining Patio Home Lots for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of the buildings, or any other cause. There shall be easements for the maintenance of said encroachment, settling or shifting; provided, however, that in no event shall an easement for encroachment be created in willful misconduct of said Owner or Owners. In the event a structure on any Patio Home Lot is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Patio Home Lot agree that minor encroachments over adjoining Patio Home Lots shall be permitted and there shall be easements for the maintenance of said encroachments so long as they shall exist. In addition, each Patio Home Lot within the Property is hereby declared to have an easement for overhanging roofs and eaves as originally constructed over each adjoining Patio Home Lot for the maintenance thereof. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall be appurtenant to the Patio Home Lot being served and shall pass with each conveyance of said Patio Home Lot. Said Universal Easement will continue so long as completed dwellings or dwellings under construction remain on any Patio Home Lots.

Section 10. Patio Home Lot Wall Maintenance Easements. All Patio Home Lots within the Property shall be conveyed subject to a three (3) foot wide easement adjacent to the side lot line of the Zero Setback Line of the adjoining Patio Home Lot, which easement shall be for the benefit of the adjacent Patio Home Lot, and the right to create, grant and reserve such easements is hereby reserved by Declarant for itself and its successors in interest. Said easements, the uses and purposes of which are set forth below, shall be granted or reserved by reference to this Section. The following rules prescribe the terms, conditions and uses of said easements, both by the Owner of the easement (the dominant tenement) and the Owner of the land under the easement (the servient tenement).

(a) The Owner of the Patio Home Lot which is benefited by the easement (the dominant tenement), except as otherwise provided in this Section, shall have the use of the surface of the easement area for the sole and only purpose of the maintenance, painting, repairing and rebuilding of the side privacy wall, fence or eave which are situated adjacent and abutting the easement area.

195-53-1824

(b) The Owner of the land under the easement (the servient tenement) shall have the right at all reasonable times to enter upon the easement area for normal residential use including maintaining the lawn and/or trees located within such easement area, which maintenance shall be the obligation of the servient tenement.

(c) The Owner of the servient tenement shall have the right of surface drainage over, along and upon the easement area for water resulting from the normal use of the servient tenement and the dominant tenement shall not use the easement area in such a manner as will interfere with such drainage.

(d) The Owner of the dominant tenement shall not attach any object to the side of the privacy wall, fence or eave facing onto the easement area. No structure shall be constructed or placed upon the easement area by either the Owners of the dominant or servient tenement.

(e) The Owner of the dominant tenement as a condition to the exercise of the right of access provided for shall indemnify and hold harmless the Owner of the servient tenement from damage to shrubs, plants, flowers, trees, lawn, sprinklers, hose bibs and other landscaping directly resulting for the exercise of such right.

(f) The Owner of the servient tenement shall indemnify and hold harmless the Owner of the dominant tenement from damage to the wall and/or building located on the dominant tenement which damage is caused by any use of the easement area by the servient tenement.

The aforesaid Wall Maintenance Easements will continue so long as completed dwellings or dwellings under construction remain on any Patio Home Lots.

Section 11. Patio Home Lot Reclassification. In the event Patio Home Lots, upon which no construction of any type has commenced, are reclassified to a Standard Lot status, the provisions of Article IX, Section 5 (c), Section 9 and Section 10, shall no longer apply.

Section 12. Audio and Video Communication Service. In the event that audio and video communication services and facilities are made available to any Lot by means of an underground coaxial cable system, there is hereby reserved to the company furnishing such services and facilities a two (2) foot wide easement along and centered on the underground wire or cable when and as installed by the company furnishing the service from the utility easement nearest to the point of connection on the permanent improvement of structure constructed, or to be constructed, upon the Lot and in a direct line from the nearest utility easement to the point of connection.

Section 13. Temporary Structures and Out Buildings. Temporary structures may be used as sales offices or as construction offices and for other related purposes by Declarant, Developer, Developer/Builder or Builder during the construction and sales period. Such

195-53-7825

On a Standard Lot, Patio Home Lot or Townhouse Lot, outbuildings or structures, whether temporary or permanent, used for accessory, playhouse, storage or other purposes shall be limited to eight (8) feet in height and one hundred (100) square feet in area and must be approved in accordance with Article VI, Section 1 of this Declaration.

Section 14. Animal Husbandry. Fences of wire or chain link construction are prohibited on Lots, and the design and materials of all fences shall be approved by the Architectural Review Committee prior to construction pursuant to the approval requirements of Article VI, Section 1, of this Declaration.

(a) Subject to the provisions of Article VI, Sections 1 and 5, Section 6 of this Article and Article XI, Section 8, location and descriptions of walls, fences, planters and hedges on Standard Lots and Townhouse Lots shall be further determined by Supplementary Declaration(s) of Covenants, Conditions and Restrictions.

Any wall, fence or hedge erected as protective screening on a Patio Home Lot by Declarant, its agents or assigns, or Builder shall pass ownership with title to the Patio Home Lot, and it shall be the Owner's responsibility to thereafter maintain said protective screening.

Declarant, at its sole discretion, is hereby permitted to grant deviations in height, location and construction materials related to fences and walls which in its judgment will result in a more beneficial use.

All rubbish, trash and garbage shall be kept in sanitary refuse containers with tightly fitting lids and shall be regularly removed from the lots and not allowed to accumulate thereon.

Section 19. Visual Obstructions at the Intersections of Public Streets. Section 10. Easements. Easements for installation and maintenance of utilities are reserved as shown on the recorded plats and as provided for in the deeds of conveyance to particular Tracts. No structure shall be erected on any of said easements, and no improvements may be placed within said easements without the prior written approval of Declarant or the Architectural Review Committee and any utility company using such easements. Easements may be crossed by driveways and walkways provided the Owner secures the necessary prior approval of the utility companies furnishing services and provides and installs any special conduit and other equipment of approved type and size under such driveways and walkways prior to construction thereof. Neither Declarant nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees or contractors to shrubbery, trees, flowers or other improvements (except the aforementioned special conduit) located on the land covered by said easements.

Declarant hereby reserves for itself and its successors and assigns a six foot (6') wide maintenance easement, adjacent and as applicable, parallel to each of the property lines of all Tracts that abut a landscape reserve in cases where Declarant has constructed or intends to construct a fence or entry treatment within the landscape reserve, together with the right of ingress and egress for the purposes, without liability to Owner, of constructing, repairing and/or reconstructing said fence or entry treatment. The easement area shall remain unobstructed of any structures or plantings that would prohibit access to the fence or entry treatment for the purposes set forth herein.

Section 11. Exterior Illumination. Exterior illumination, if provided, shall be designed to light only buildings, parking areas and walkways and shall not produce glare on adjacent streets or Tracts. All ground level floodlighting fixtures shall be depressed or screened from public view and must be approved. Parking area lighting, arcade lighting and all other illumination shall be in a style in accordance with the Commercial Development Guidelines.

Section 12. Signing. All signs and their locations must be approved by Declarant or the Architectural Review Committee in writing prior to installation. No sign of a flashing or moving character shall be installed and no sign shall project above the roof line of a building unless otherwise approved. Any sign installed without approval may be removed without liability for trespass or other legal wrong. For the purposes of this provision, signing shall include flags/flag poles, awnings and canopies.

Section 13. Temporary Structures. No temporary building or structure other than construction offices and structures for related purposes during the construction period shall be installed or maintained on any Tract without the prior written approval of the Architectural Review Committee. All temporary structures used for construction purposes

795-53-1831

must receive approval by Declarant or the Architectural Review Committee with regard to location and appearance and must be removed promptly upon completion of construction.

Section 14. Tract Consolidation. If the Owner of any Tract becomes the Owner of one or more contiguous and adjoining Tracts, side yard line building and parking setbacks common to the contiguous Tracts may be waived by Declarant or the Architectural Review Committee at their discretion.

Section 15. Landscaping. All sites shall be landscaped in accordance with plans submitted to and approved by Declarant or the Architectural Review Committee. Primary emphasis should be placed on preservation of the natural forested environment. All plant material shall be installed within ninety (90) days following the occupancy of a building. This period may be extended in writing by the Architectural Review Committee in the event of delays caused by adverse weather conditions or other causes beyond reasonable control.

Section 16. Maintenance and Enforcement. The Owner and lessee of any Tract shall have the duty of and responsibility for keeping the premises, building, improvements, appurtenances and landscaping in a well maintained, clean, and attractive condition at all times. If, in the opinion of the Association, any such Owner or lessee is failing in this duty and responsibility, then the Association may elect to give notice of such fact to such Owner or lessee, who shall within ten (10) days of such notice, undertake the care and maintenance required to restore said Owner's or lessee's Tract to a clean and attractive condition. Should any such Owner or lessee fail to fulfill this duty and responsibility after such notice, the Association shall have the right and power to perform such care and maintenance, and the Owner or lessee shall be liable for the cost thereof and applicable fines. If such Owner or lessee shall fail to reimburse the entity performing the work, the amount of such charges and fines shall constitute a lien upon the Tract enforceable as any mortgage lien but subordinate to any mortgage lien and any lien securing a construction loan to the Owner or lessee.

Section 17. Standards and Procedures. Declarant and the Architectural Review Committee shall establish and promulgate rules, standards and procedures which it deems necessary and appropriate for the orderly development of the subdivision including, but not limited to, workmanship, materials, building methods, observance of requirements concerning installation and maintenance of public utility facilities and services and compliance with governmental regulations. Declarant and the Architectural Review Committee shall be guided by industry standards and may amend such rules, standards and procedures when deemed necessary and appropriate. Such rules, standards and procedures shall be binding and enforceable against each Owner in the same manner as any other restriction set forth herein, but nothing contained herein shall be deemed to affect any approval granted by Declarant or the Architectural Review Committee in accordance with the terms of this Declaration prior to the amendment of such rules, standards or procedures.

Section 18. Deviations. Declarant or its assignee, at its sole discretion, is hereby permitted to approve deviations in the general use restrictions and conditions set forth in Article X for the Property and any additional land made subject to the Declaration in instances where, in its judgment, such deviations will result in a more common beneficial

795-53-1832

use and enhance the overall development plan for the Property. Such approvals must be granted in writing and, when given, will become a part of these restrictions.

Section 19. Initial Construction Period. Unless otherwise specified in the deed of conveyance, Owner shall commence construction of improvements on or before six (6) months from the date of conveyance to Owner and diligently proceed to final completion (i.e., ready for tenant improvements or occupancy) within eighteen (18) additional months (plus a period of time equal to the duration of delays if any caused by reason of fire, act of God, shortage of labor or material, strike, lockout, casualty or other conditions beyond Owner's control). In the event that Owner should fail to perform as set forth above, Owner will, upon request of Declarant, or its successors or assigns, and upon tender to Owner by Declarant in cash a sum equal to ninety (90) percent of the purchase price paid by Owner to Declarant for the Tract and reconvey the Tract to Declarant, or its successors or assigns, by special warranty deed free and clear of any liens and encumbrances other than those to which the original conveyance was subject and any express lien against said Tract to secure amounts actually expended in the construction of the improvements on the Tract. Unless Owner shall have completed construction as hereinabove provided, Declarant shall have the right to exercise the conditional option to repurchase herein reserved on or before thirty (30) months from the date of conveyance (plus the period of time beyond Owner's control, heretofore described, which may have been required to complete the construction of improvements), at which time, failing exercise thereof, such option shall terminate and be of no further force or effect. If Owner should execute a deed of trust to secure a construction loan made to Owner and should inform Declarant in writing of the name and identity of such Mortgagee, then in such event, at any time when Declarant considers that Owner is in default under this paragraph, Declarant shall give written notice to Mortgagee at the address furnished, and Mortgagee shall have a reasonable time within which to foreclose its lien, acquire title to and possession of the Tract, and comply with the provisions of this paragraph, while Mortgagee is attempting in good faith to accomplish the foregoing, Declarant shall not exercise the conditional purchase option.

**ARTICLE XI
MORTGAGEE NOTICE; MANAGEMENT AGREEMENTS;
RESERVE FUNDS; LEASES**

Section 1. Notice to First Mortgagees. Upon written request to the Association at the address of the Association's registered agent filed with the Secretary of State for the State of Texas, all holders of first mortgage liens on Lots and Commercial Units, hereinafter called "First Mortgagees," shall be entitled to:

- (b) receive an annual audited financial statement of the Association within ninety (90) days following the end of any fiscal year;
- (c) receive written notice of all meetings of the Association and designate a representative to attend all such meetings;

195-53-7833

- (d) upon request, receive notice of any default in the performance by the First Mortgagee's mortgagor of any obligation under this Declaration, the By-Laws or Articles of Incorporation of the Association which is not cured within sixty (60) days;
- (e) receive notice of any abandonment or termination of the development;
- (f) receive notice of any material amendment to this Declaration, or to the By-Laws or Articles of Incorporation of the Association; and
- (g) receive notice of any decision to terminate professional management and assume self-management.

Section 2. Mortgagee Required Approval. Unless all of the First Mortgagees who have notified the Association pursuant to Section 1 of this Article have given their prior written approval, the Association shall not be entitled to:

- (a) fail to maintain fire and extended coverage on insurable improvements in Common Open Areas, if any, on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost); and
- (b) use hazard insurance proceeds for losses to any improvements in Common Open Areas, if any, for other than the repair, replacement or reconstruction of such improvements.

Section 3. Reimbursement to Mortgagees for Payment of Taxes or Insurance Premiums. First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Open Areas and may pay overdue premiums of hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for improvements in the Common Open Areas, if any, and First Mortgagees making such payments shall be owed immediate reimbursement therefore from the Association.

Section 4. Insurance on Condemnation Proceeds: Notice. No provision of this Declaration or of the By-Laws or Articles of Incorporation of the Association shall be construed as giving an Owner or other party priority over any rights of a First Mortgagee pursuant to its mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Open Areas. An institutional holder of a first mortgage shall be entitled to receive timely written notice of substantial damage to or a taking of the Common Open Areas.

Section 5. Management Agreements. Any management agreement will be terminable by the Association without payment of a termination fee with or without cause upon thirty (30) days written notice. The term of any such agreement may not exceed one (1) year, renewable by agreement of the parties for successive one-year periods.

Section 6. Reserve Fund. Association budgets shall include an adequate reserve fund for maintenance, repairs and replacement of those elements of the Common Open Areas that must be replaced on a periodic basis and will be payable in regular installments as part of the common assessment.

Section 7. Leases. Any lease agreement between an Owner and a lessee shall be subject in all respects to the provisions of this Declaration, the By-Laws and Articles of Incorporation of the Association whether or not reference is made to the Declaration, By-Laws and Articles of Incorporation in the lease.

ARTICLE XII GENERAL PROVISIONS

Section 1. Enforcement. The Association and any Owner shall have the right to enforce, by any proceedings at law or in equity, all restrictions, conditions, covenants, reservations, liens or charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidity of any one of these covenants, conditions or restrictions shall not affect any other provision, which shall remain in full force and effect.

Section 3. Duration; Amendment. The provisions of this Declaration shall run with and bind the Property for a term of twenty-five years from this date, after which time they shall be automatically extended for successive periods of ten years.

Deeds of conveyance of Lots or Commercial Units or any part thereof, may contain the above restrictive covenants by reference to this document, but whether or not such reference is made, each and all of such restrictive covenants shall be valid and binding upon the restrictive grantees.

This Declaration may be amended during the first twenty-five year period by an instrument signed by a sufficient number of Owners representing not less than two-thirds (2/3) of the votes in the Association, and thereafter by an instrument signed by a sufficient number of Owners representing not less than fifty percent of the votes. In addition, any amendment hereto (i) to change the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner, or (ii) to change, waive, or abandon any scheme of regulations, or enforcement thereof, pertaining to the maintenance of Common Open Areas, or (iii) to use hazard insurance proceeds for losses to the improvements in Common Open Areas, if any, for other than the repair, replacement or reconstruction of such improvements shall require the additional approval of two-thirds (2/3) majority of the First Mortgagees (based upon one vote for each mortgage owned).

The Declarant reserves the right during the Development Period, without joinder or consent of any Owner, Developer, Developer/Builder, Builder or mortgagee, to amend this Declaration or the By-Laws by an instrument in writing duly signed, acknowledged and filed for record, for the purpose of resolving or clarifying any ambiguities or conflicts herein, or correcting any inadvertent misstatements, errors or omissions herein, or to comply with the requirements of Federal Home Loan Mortgage Corporation, Federal National Mortgage Association, Veteran's Administration, Federal Housing Administration,

195-53-1835

or other government related financing party, provided that no such amendment shall change the vested property rights of any Owner or adversely affect the general development plan of a Developer or Developer/Builder, except as otherwise provided herein.

All amendments shall be recorded in the Official Public Records of Real Property of Harris County, Texas.

Section 4. Books and Records. The books and records of the Association shall, during reasonable business hours, be subject to reasonable inspection by any Member. The Board of Directors may, by resolution, establish rules and regulations governing the frequency of inspection and other matters to the end that inspection of the books and records by any Member will not become burdensome to nor constitute harassment of the Association. The Declaration, the Articles of Incorporation and By-Laws of the Association shall be available for inspection by any Member at the principal office of the Association, where copies may be purchased at reasonable cost.

Section 5. Notices. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing.

Section 6. Good Faith Lender's Clause. Any violation of these covenants, conditions or restrictions shall not affect any lien or deed of trust of record held in good faith, upon any Lot or Commercial Unit, which liens may be enforced in due course, subject to the terms of this Declaration.

Section 7. Mergers. Upon a merger or consolidation of the Association with another association as provided by its Articles of Incorporation, its properties, assets, rights and obligations may be transferred to another surviving or consolidated association or, alternatively, the properties, assets, rights and obligations of another association may be transferred to the Association as a surviving corporation. The surviving or consolidated association shall administer the covenants, conditions and restrictions contained in this Declaration, under one administration. No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

Section 8. Annexation.

(a) Additional land or lands may be annexed to the Property with the consent of two-thirds (2/3) of each class of members, and the approval of the Owner(s) of the land to be annexed.

(b) Notwithstanding anything contained in Subparagraph (a) above, or any other provision herein, Declarant, its successors or assigns, shall have the right, without the consent of any other Owners or any First Mortgagee, to bring within the scheme of the Declaration, in one (1) or more future stages, sections or additions, those additional lands or portions thereof as described in Exhibit A attached hereto, made a part hereof and incorporated herein for all purposes, within fifteen (15) years of the date of recording of this instrument. Further, any land annexed to the Property and subject to this Declaration

195-53-1836

incorporated herein for all purposes, within fifteen (15) years of the date of recording of this instrument. Further, any land annexed to the Property and subject to this Declaration may be acquired (by gift, purchase, or otherwise) and/or designated as Common Open Areas by the Association without the consent of any Owners or any First Mortgagee. Nothing in this Declaration shall be construed to represent that Declarant, or its successors or assigns, are under any obligation to add or annex additional lands to those subject to this Declaration. Additional land that is added or annexed shall become subject to the annual assessment in accordance with Article V.

(c) The additions authorized under this Section shall be made by filing of record: (a) Supplementary Declaration(s) of Covenants, Conditions and Restrictions with respect to the additional lands which shall (i) extend the scheme of the covenants and restrictions of this Declaration to such lands and (ii) provide, if applicable, that the proportionate ownership interests in the Common Open Areas of the Owners by virtue of Association membership immediately prior to the filing of such Supplementary Declaration shall be equal to the number of Lots, Apartments and Commercial Units owned by such Owner divided by the total number of Lots, Apartments and Commercial Units within the lands then subject to this Declaration after such annexation; and (b) a deed from Declarant, Developer and Developer/Builder to the Association which shall convey to the Association the area within such additions (except for the Lots, Apartments or Commercial Units therein) as Common Open Areas for the sole benefit and use of the Owners, with reservation of Declarant's rights set forth herein.

IN WITNESS WHEREOF, the undersigned, being the Declarant herein, has hereunto set its hand and seal this 15th day of December, 1993.
